Just to confirm further updated members at our Town Council meeting on Monday 6 January 2025:

***The Town Clerk confirmed that all the CIL monies, save that received in October, had been allocated. The Estates Manager suggested that October's be allocated towards a new footpath at Moore Close. Agreed.***

Hi Graham,

I understand we have quite a few bids for the CIL Local Infrastructure fund this year within the New Milton area and you will no doubt have received my email regarding the allocation of all CIL funds. I mentioned this would be a requirement in October 2024 when I sent over the last CIL monies so hopefully you have all this to hand.

**Subject:** CIL Neighbourhood Proportion - New Milton

The District Council have collected CIL within your Parish and I have therefore arranged for the relevant 25% to be transferred to you as set out below in the final column.

Planning Ref	Parish	Oct – 24
22/11450	New Milton	£5,147.50
23/10675	New Milton	£6,276.83
24/10014	New Milton	£791.31
24/10489	New Milton	£9,061.94
	<b>TOTAL</b>	<b>£21,277.58</b>

Following the approval by NFDC Cabinet of the revised Framework for CIL expenditure, we would be grateful if Town and Parish Councils can ensure they submit their CIL Receipts Report for last year (1 April 2023 to 31 March 2024) as soon as possible, but at most no later than 31 December 2024. As part of the framework for CIL expenditure, should a parish wish to bid for any CIL money from the New Forest District Council, there is a requirement to confirm your CIL Receipts have been allocated and/or spent.

## APPLICATION TO NEW MILTON TOWN COUNCIL AMENITIES COMMITTEE

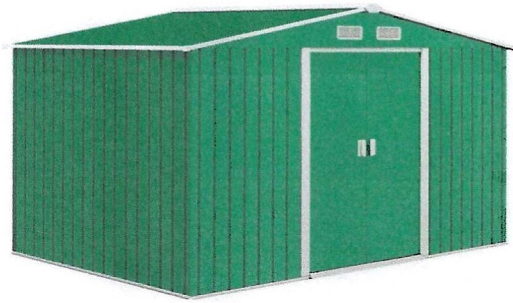

MONDAY, 20<sup>TH</sup> JANUARY

### 1. Shed

Access to the community garden is via the car park and across Fawcett's Field. This presents difficulties for volunteers carrying heavy garden implements from the car park to the garden. We would like to install a shed bolted onto a concrete base at the north west end of the garden, inside the whips' line as cited in red on the enclosed drone photo. This will house assorted garden equipment and a potting table.

We are currently looking at either a windowless 9' x 6' green metal shed or a 10' x 8' brown (could be painted green) shed with double doors and a sturdy weatherproof combination lock or padlock to be sited on a concrete base.

Green Metal Shed, 277cm x 195cm x 192cm

Wooden Shed 10'x8' with green felt roof

## 2. Noticeboard

We would like to install a noticeboard at the entrance to the garden to house current information, opening times, guidance for users, contact numbers and any other relevant garden information. This noticeboard will be kept up to date and only house information relevant to the garden.

We are currently in correspondence with Lush Signs about producing a noticeboard in line with the one on the Recreation Ground. The heading would have our logo inserted and the words New Milton Community Garden and include two Perspex-covered lockable cases for announcements.

All the work will be funded from our charitable donations.

We would be grateful if the Committee could consider these two requests.

Yours faithfully,  
The Trustees,

## **NEW MILTON TOWN COUNCIL CIL BIDS 2024/25**

The Town Council has submitted a total of five individual bids and one joint bid with NFDC in the latest round of CIL funding applications.

The application process closed last December, there was a total of seventy-nine bids and the successful ones should be announced in March. The fund pot was one million pounds, and the submitted applications have well exceeded this amount.

Details of our bids are as follows:

**Ashley Recreation Ground** – Sports Wall (five a side goal incorporating a basketball hoop) and a Sensory Board.

The sensory board would be located in the landscaped area next to the play park and the sports wall adjacent to the play area as shown below.

**Total CIL Bid £32,000**

**Ballard Water Meadow** – Provision of an Accessible Walking Route at the Southern end of the meadow and as shown below.

**Total CIL Bid £30,000**

**Danesbury Meadows** – Accessible Walking Route and Inclusive Play Equipment, as shown below.

**Total CIL Bid £84,000**

**Hollands Wood Drive** – Provision of Inclusive Play Equipment, Post & Rail Fencing and Native Hedging, as shown below.

**Total CIL Bid £41,550**

**Long Meadow** – Provision of New Footpath and DDA Compliant Footbridge.

**Total CIL Bid £20,000**

**The total amount of our five CIL applications is £207,550**

***Carrick Wood – a joint CIL Bid made by NMTC in conjunction with NFDC***

An enhanced recreational mitigation of this sensitive Nature 2000 site.

The joint bid was submitted by NFDC and is at Carrick Wood for gravel surfacing of the unsurfaced tracks to complete the mitigation scheme carried out in 2024 as shown below and marked in yellow.

**Total CIL Bid £40,000**

***Total of all our CIL applications £247,550***
