Statement of Reasons

Proposed traffic order Barton on sea

The revised proposals seek to address many of the comments made at the earlier consultation, namely through the introduction of sections of two hour limited waiting (free parking) to add flexibility for short stays and turnover near businesses. The tariff structure has been revised to be linear, further enhancing short stay parking which will be £1 for an hour, furthermore discounted season tickets will be available for regular users.

The proposed introduction of on-street pay and display parking remains key to resolving the overnight parking of motorhomes and caravans as well as increasing the turnover of spaces. On-street chargeable parking also forms part of the County Council's measures to modernise the on-street parking service with the aim of reducing the scale of subsidy provided from general highway maintenance resources to support parking regulation and enforcement.

Sections of proposed double yellow lines have been included to replace the seasonal single yellow line restriction

The proposed Pay and Display & Limited waiting parking would operate from 10am to 6pm with an overnight ban on Motor Caravans from 8pm to 8am.
